

Fueling business, both farming & commercial

Chandlers Dieselmox

Engine

- Better pulling power
- Easier starting
- Smoother running

Maintenance

- Lower fuel consumption and water problems
- Better protection

Environment

- Reduced contamination and sludge
- Lower smoke, particulate and NOx emissions

Tier 3 Lubrication

All our oils have been tested and approved by the manufacturers. The products below exceed the requirements of the API CI-4 specification.

RUBIA TIR 7400 15W-40

Suitable for many Euro IV vehicles.

- Very high performance lubricant for diesel engines
- Longdrain oil for Tier 3 Tractors

20 Litres **208 Litre Barrel**
£39.00 +VAT **£420.00 +VAT**

Specifications:
 ACEA E5/E7
 API CI-4/SL
 CATERPILLAR CAT ECF-1

RUBIA TIR 7200 FE 15W-30

Fuel economy mineral oil.

- High quality lubricant for diesel engines with the fuel economy technology benefits

208 Litre Barrel
£423.00 +VAT

Specifications:
 ACEA E5/E7
 API CI-4

RUBIA TIR 7400 FE 10W-30

Exceptional synthetic technology lubricant for diesel engines with the Fuel Economy technology benefits.

- All industrial vehicles - Particularly suitable for the lubrication of the latest generation Diesel engines developed by European manufacturers
- All types of services - Can handle the most demanding applications

20 Litres **208 Litre Barrel**
£58.00 +VAT **£567.00 +VAT**

Specifications:
 ACEA E5 / E7
 API CI-4

DYNATRANS MPV

Suitable for broad range of usages.

Lubricant for transmissions fitted with oil-immersed disc brakes and hydraulic systems on agricultural tractors.

- Friction coefficient specific to brakes and immersed clutch plates
- Very good stability in service
- Great shear resistance

20 Litres **208 Litre Barrel**
£39.30 +VAT **£366.00 +VAT**

Specifications:
 API CI-4
 CASE MS 1209
 CLAAS/RENAULT AGRI
 FORD M2C 134D
 MASSEY FERGUSON CMS M 1145
 VOLVO CE WB 101

EQUIVIS ZS

Very high performance

- High viscosity index anti-wear hydraulic oils.

20 Litres **208 Litre Barrel**
£33.20 +VAT **£299.00 +VAT**

Specifications:
 ISO 15-22-32-46-68-100
 AFNOR N.2 48/603HV
 ISO 6743/4 HV
 DIN 51524 P3 HVLV
 CINCINNATI MILLACRON P68, P69, P70
 EATON M- 9505 - Z - 2865

MULTIS EP 2

Multi-usage nature that allows for stock rationalization and for reduction of maintenance costs

Extreme pressure multi-functional grease.

- Very good mechanical stability
- Excellent resistance to heavy loads and impacts

£36.84 +VAT **£43.50 +VAT**
 (24 Cartridges) (12.50KG Bucket)

Specifications:
 ISO 6743-9, L-XBCEB 2
 DIN 51502 : KP2K-25

MULTIAGRI PRO-TEC 10W-40

Rationalisation of the maintenance of all agricultural equipment even the most recent.

Latest generation multi-functional lubricant for all mechanical components of tractors, agricultural machinery and related equipment.

- Exceptional anti-wear power
- Optimization of maintenance programs
- Remarkable levels of detergency and dispersivity

20 Litres **208 Litre Barrel**
£52.40 +VAT **£499.00 +VAT**

Specifications:

Engines:
 ACEA E3, API CG-4/SF
 MIL-L2104 D

Transmissions:
 API GL-4
 CATERPILLAR TO-2

Transmissions:
 FORD M2C 159B
 MASSEY FERGUSON M 1144/
 M 1139
 JOHN DEERE J27

UTTO:
 MASSEY FERGUSON M 1135
 JOHN DEERE J20C

MULTAGRI SUPER 10W-30

Universal oil for agricultural machinery that can be used in most Tier1 and older engines.

Super universal tractor oil for all agricultural machineries allowing a great simplification of the maintenance.

- Very high performance super universal oil
- Good anti-wear properties
- Very large temperature range

20 Litres **208 Litre Barrel**
£37.40 +VAT **£347.00 +VAT**

Specifications:

ACEA E1 API CE
 ALLISON C4
 API GL-4
 CATERPILLAR TO-2
 FORD M2C 134 D/M2C 159B
 JOHN DEERE J 20C/J27
 MASSEY FERGUSON M 1135
 M 1139/M 1144
 MERCEDES-BENZ P227.1
 MIL-L-2104 D

Order over 300 litres of any of the above and we will give you a **FREE box (24 cartridges) of EP2** and a new **Grease Gun**.

The very best oils at the very best prices

We don't just sell fuel, we also provide the very best lubricants in the business.

It is essential you have the right oil for your machine; compromise on your oil and you endanger the very machine that is earning your money. That's why we take pride in matching your oil to your needs.

We are here to help... all it takes is a phone call!
